RESPONSE PURSUANT TO 37 C.F.R. §1.111

This paper is being filed in response to the Office Action mailed September 14, 2005 having a reply due date of October 14, 2005. The Applicants herewith petition the Commissioner for Patents to extend the time for response by one (1) month to November 14, 2005. Appropriate fees for the Petition for Extension of Time are included herewith. Reconsideration and further examination are respectfully requested in light of the amendment and remarks below.

In the Election/Restriction Requirement under 35 U.S.C. 121, the Examiner grouped the application into species as follows, indicating that no claims appear to be generic:

Group I illustrative of the embodiment in figures 1A-2,

Group II illustrative of the embodiment in figures 3-5,

Group III illustrative of the embodiment in figures 6-9, and

Group IV illustrative of the embodiment in figures 10-14.

Pursuant to the Election/Restriction Requirement, the Applicants provisionally elect with traverse the species identified by the Examiner as Group IV illustrative of the embodiment in figures 10-14. Applicants submit that claims 1-14 and 21 read on Group IV.
